### Description

Art deco style table lamp from Eichholtz.  
Illuminate your interior with this exquisite designer Blackrock Table Lamp from Eichholtz.  
As one of the most important elements in an interior, the correct lighting is an essential contributor to create gorgeous ambience in your home. Available in a number of sizes, the Blackrock is the perfect addition to lavishly illuminate any room.  
Each table lamp comes complete with a stunning rectangular shade and uniform elongated rectangular base, finished in polished nickel with black nickel inlay.  
The structural lamp base is evocative of the clean lines and seductive elegance of Art Deco style.  
Perfect to channel modernity with a 1920s twist, this stunning lamp is perfect for both classic and contemporary interiors.  
Requires 1x E27 Max 40W bulb not included.
