Description

Textured relief floral medallion wallpaper sold per metre.

Make a bold style statement in your interior with the Alliances wallpaper from Elitis.

Raised and rendered to catch the eye, this wall covering will make a distinctive style statement in your interior.

The patterned wallpaper is sculpted into textured floral medallions and is ideal for introducing texture and depth into both classic and contemporary interiors.

Make an innovative style statement in your interior by creating a feature wall in the living area, or grace the walls in your bedroom with its unique presence.

Please note sold by the metre.

Pattern repeat: half drop 47.5cm, straight 95cm.

Additional material details: Non-woven wallcovering, extra washable, acoustic properties, easy to hang.
