Description

Architectural inspired adjustable wall lamp. Introduce personality to your interior space with the La Lampe Gras - DCW No 203 Wall Lamp - Black Satin. This designer floor lamp is ideal for introducing a calming ambience with a contemporary twist in any room. Originally designed in 1921 by Bernard-Albin Gras, this stunning iron-cast wall lamp is based on the original architectural lighting design. A flexible jointed arm and lamp head makes the lamp easily adjustable, coated in a robust, sleek, black satin finish. Adjust and fine-tune the light to your favoured direction by simply changing the lamp head angle to suit your space and create a distinctive style statement in both classic and contemporary interiors. Available in a number of colours, the shade is presented in a range of finishes. Requires 1 x E14 ESL 11W bulb (not included).
