Description

Architectural inspired adjustable designer wall lamp. Brighten your interior in style with the La Lampe Gras - DCW No 214 Wall Lamp - Black Satin. This designer floor lamp is ideal for introducing a calming ambience with a contemporary twist in any room. Originally designed in 1921 by Bernard-Albin Gras, this stunning iron-cast wall lamp is based on the original architectural lighting design idea. The flexible jointed arm and lamp head are easily adjustable, coated in a robust, sleek, black satin finish. Fine-tune the light to your favoured direction by simply changing the lamp head angle and arm direction up or down to suit your space and create a distinctive style statement in both classic and contemporary interiors. Available in a number of colours, the shade is presented in a range of finishes. Requires 1 x E14 ESL 11W bulb (not included).
