Description

Sleek contemporary round dining table with antique base. Introduce contemporary designer style with an antique twist into your interior with the Moooi Container Dining Table White 160cm. Designed by world renowned Dutch designer, Marcel Wanders, the table is a sleek furniture piece from Moooi's celebrated New Antique collection. Taking inspiration from antique furniture and modern Scandic design, this lovely table is a mixture of old meets new. The sturdy column base adds depth to your space with its curved artisan grooves and ornamental form. A large and sleek round table top completes the design effortlessly providing a more modern and urban look. Perfect for channelling modernity with a vintage edge into both classic and contemporary interiors. This impressive and charming addition is finished in a spotless white finish and will make a timeless style statement, sure to impress your guests at your next dinner party.
