Description

Embossed vinyl wallpaper with animal hide effect.
Bring nature indoors with the simple style of the Elitis Natives Movida collection.
Inspired by the captivating wildlife from the plains of Africa, this unique collection is perfect for channelling an ultra contemporary, tribal vibe in your interior.
Each roll of wallpaper is vinyl embossed in squares to give a unique animal hide effect.
Make a distinctive style statement in your interior by creating a feature wall in the living area or bedroom, as the wallpaper channels a sumptuous texture and depth in your space.
Random match adjusted to square pattern repeat. Please note price is per 10m roll.
