Description

Sliding top glass console table with gold finish.
Create a welcoming focal point in the hallway with the Harvey Sliding Top Console Table.
Designed by luxury homeware professionals, Eichholtz, this exquisite console table takes influence from the clean lines and stylish allure of Art Deco design.
This marvellous console table has a sophisticated gold finish frame which elevates a sliding glass table top.
Slide the top of the table to reveal a beautiful section for ornamental items and display your cherished items in style.
First impressions count and this gorgeous console table is a beautiful addition for your hallway to ensure your home puts its best foot forward.
