Description

Neutral toned designer damask wall paper.
Rejuvenate your interior with the classic style of the St Petersburg Damask wallpaper.
Created by internationally renowned wall paper experts, Cole & Son, this charming addition is a distinctive wall covering ideal for creating an imaginative focal point in your interior.
Inspired by the damask trend of early twentieth century upholstery fabrics, this large scale damask wall paper has been innovatively reproduced and screen-printed so you can enjoy its timeless classic style in the comfort of your own home.
Available in a number of colourways, the pattern is off white damask which is harmoniously balanced on warm grey beige background.
Grace in the lounge or bedroom to channel, the wallpaper will channel vintage allure and stylish sophistication into your interior scheme, reinvigorating the look and feel of your space beautifully.
