### Description

Exquisite facet glass chandelier from Eichholtz. Inject captivating designer style into your interior with the sophisticated Salerno Chandelier. Taking influence from Hollywood glamour and the clean lines of contemporary design, this superb chandelier is the perfect addition to enhance your interior in style. Expertly produced by skilled artisans, this sculptural light piece is a sophisticated alternative to the classic conventions of the traditional chandelier. Textured and rendered to catch the eye, the design is made of a network of gracefully hanging tapered facet pendants in a smoked glass finish. Glistening and reflecting light, the surface of the elegant facets of glass will reflect and enhance your interior, illuminating radiant ambience and dancing light around your room. A fabulous feature piece, the Salerno will create a stunning focal point in the hallway or lounge as it channels luxe glamour into your design-conscious scheme. Requires: 4x E14 Max 40W bulbs (not included).
