Description

Sophisticated clear glass facet chandelier. Channel charismatic designer - style into your interior with the exquisite Salerno Chandelier. Influenced by the romance of Hollywood glamour and the clean lines of contemporary design, this fabulous chandelier is the perfect addition to elevate your interior in style. Created by skilled artisans, this sculptural light piece is a chic alternative to the classic conventions of the traditional chandelier. Textured and rendered as it catches the eye in every direction, it is constructed from a network of gracefully hanging tapered facet pendants in a clear glass finish. Glimmering and reflecting light, the surface of the graceful facets of glass will reflect and create a radiant ambience as light dances around your room. A fabulous feature piece, the Salerno will create a stunning focal point in the hallway or lounge as it exudes luxe style into your design-conscious scheme. Requires: 4x E14 Max 40W bulbs (not included).
