Description

Sophisticated crystal ashtray from Eichholtz. Accessorise your interior in style with the Nestor Ashtray. Designed by luxury homeware brand, Eichholtz, it is a fine addition for both classic and contemporary interior design schemes. Square in shape, this distinctive home accessory takes influence from the elegant silhouettes of Art Deco design. Expertly sculpted from fine crystal, it will up the style tempo of your interior scheme with its glamorous style and opulent allure. Combine with other crystal ware from the Eichholtz collection to enhance the style tempo of your interior and really stand out from the crowd.
