Description

Ornamental seashell tray in polished nickel finish.
Taking inspiration from the ocean, the Eichholtz Shell Tray is a delicate decorative tray, ideal for injecting designer style into your home interior. A versatile tray, it can be used in a number of locations, use ornamentally as a home accessory, a serving tray for nibbles or even as a stylish soap dish in the bathroom, the choice is yours.
Expertly crafted using the traditional techniques of master craftsmen the Shell Tray collection is produced to the highest of quality standards, synonymous of the luxury Eichholtz brand.
The polished nickel finish and convincing form is perfect to create a unique aquatic blend of texture and depth in your home.
