### Description

Ornamental seashell tray in polished brass.  
Inspired by the ocean, the Eichholtz Shell Tray is an exquisite decorative tray perfect for introducing glamorous style into your home interior. Functional and versatile, it can be used in a number of locations. Display ornamentally as a home accessory, a serving tray for nibbles or even as a stylish soap dish in the bathroom, the choice is yours. Passionately crafted using the traditional techniques of master craftsmen the Shell Tray collection is produced to the highest of quality standards. The polished brass finish and real-life form is the perfect combination to create a unique seaside blend of texture and depth in your home.
