Description

Weaved outdoor armchair with sturdy aluminium frame.

Extend your interior style outdoors with the delightful Classic Outdoor Armchair.

Designed by luxury garden furnishing experts, PR Home, this charming addition is ideal for injecting a touch of rustic chic into your outdoor design scheme.

Expertly sculpted from a synthetic peel weave in a warming summer grass finish, it is effortlessly stylish and comfortable.

Functional as well as stylish, the organic appeal of it's weaved exterior wraps seamlessly around a sturdy aluminium frame which makes the chair fully waterproof.

Choose this delightful armchair as the perfect accompaniment for a glass of summer Pimms as you enjoy spending time outdoors.

Please note: Upholstered seat pad is not included however can be purchased separately. Please contact customer service for more information.
