### Description

Vintage inspired outdoor wall light.

Create an atmospheric ambience in your design scheme with the Grosvenor Wall Light Charcoal.

Made with love by luxury homeware icons, Garden Trading, this beautiful wall light takes inspiration from turn of the century vintage wall lanterns. This charming charcoal grey wall light is simply chic and effortlessly practical.

Lit by one bulb, it features three glass panels to allow the light to radiate as it offers a beautiful lighting solution for both classic and contemporary spaces.

Perfect for use indoors or outside, it will look fantastic displayed symmetrically at either side of your door way as the collection creates a welcoming invitation into the heart of your home.

Please note: Requires 1x E27 55W max bulb (not included)
