### Description

Rich charcoal cross stitch floor rug.

Add a touch of originality to your living space with this Gandia Blasco Abstract Rug.

Created by luxury Spanish design icons, Gandia Blasco, this gorgeous addition is ideal for creating a rustic and rendered aesthetic in the heart of your design scheme.

Using a mixture of classic textile techniques the rug is presented on an effortlessly chic charcoal grey felt base.

A delicious chocolate cross stitch promotes warmth and comfort which contrasts in style with the fleck effect pattern, ideal for adding texture and depth into your space.

Great for warming up chilly wooden flooring, the collection is available in a number of gorgeous colours and will coordinate with other neutral home accessories to enhance the look in style.

Place beneath a coffee table or lay in a hall way as its timeless design transforms your space from simply a house into a stylish home.
