Colour : Red  
Material : New Wool

### Description

Red geometric patterned wool rug.

Elevate the style tempo of your interior design scheme with the addition of Gandia Blasco's Catania Rug.

Holding a contemporary style, the red, black and cream tones offer a distinctive optical illusion effect.

Expertly designed by artisans at design house, Gandia Blasco, it has been enriched by mid-century modernist inspiration.

The bold interlinking circle pattern with black striped detail offers a contemporary choice for you to decorate your home.

The lively colours are complemented by short tassels which add to the playful and unique style.

Place in hallways to create a bold entrance and add warmth to open plan spaces.
