Description

Contemporary Spanish tile patterned floor rug.
Revitalise your living space by injecting it with the Mediterranean inspired Siracusa rug from Gandia Blasco.
Enriched with elements of the Mediterranean, the tile pattern will bring a contemporary statement to your design scheme.
Seamlessly blending colour, texture and shape, the Siracusa rug will create a warming ambience in your home.
Traditional in form and contemporary in style, the white fringing adds further depth and texture.
Featuring a blend of geometric shaping in a tiled form, the blue and olive green tones will instantly inject new trends into your interior.
Handcrafted by expert artisans, the pure wool has been woven to produce a stunning rug which is luxuriously soft underfoot.
Place beneath a warm wooden coffee or dining table to complete your design scheme in true style.
