

Cacoon Bonsai - For 1 Child

Cocoon-like indoor/outdoor suspending play tent for one child.

AC0034

Colour : Orange

Material : 285 g/m2 with 35 % Cotton and 65% Polyester & Anodised Aluminium

Description

Cocoon-like indoor/outdoor suspending play tent for one child. From teddy bear's picnic to adventurer's hideout, the Bonsai Cocoon is a super cool space to let your children's imaginations run wild. Created with longevity in mind, its cocoon shaped exterior is sculpted from a polyester and cotton blend which is treated against mould, bacteria, water and UV rays.

No tools are required, making assembling child's play and all elements fold into a nifty carry bag, ideal for your next woodland adventure.

A galvanised iron carabineer supports the flexible frame and nylon hanging system to make suspending easy.

Available in a number of vibrant colours, it is the perfect way to enjoy precious moments with your loved ones outdoors.

Each set includes:

- 1 x single 1.2m Bonsai Cocoon
- 1 x 4m of hanging rope with steel carabineer
- 1 x set of eight aluminium Bonsai Cocoon ring sections
- 1 x Bonsai Cocoon carry bag.

Additional info:

- Loading capacity: Max 200kg/440lbs
- Diameter of 2.25m (1.6m minimum) needed for floor space
- Height of 2.7m (2.45m minimum) headroom needed above
- Tripod stand compatible (purchased separately).

Note: Never exceed the stated load limit or hang the Bonsai higher than just above ground level when in use.

This product is for indoor and outdoor use - store indoors when not in use.
