Description

Make a grand addition with the XVL Bea Sideboard in dark grey. A commanding piece of furniture, the sideboard is made from oak veneer and comes in a dark stained finish. The main body of the piece is suspended on a varnished metal structure, offering minimal contrast in materials and finishes. The sideboard has four doors, each with a hidden storage space behind as well as a door opening with flat handles in a varnished gun metal finish. The storage space holds adjustable internal shelves, offering a certain degree of versatility to the sideboard. An optimum storage space or to use as a decorative accessory, place the sideboard in the hallway, living area or dining room of your home for an contemporary look to your furniture arrangement. Give the XVL Home Collection Bea Sideboard a place in your home for a unique addition of style. Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
