Description

Glass column table lamp with white drum shade.
Elevate your interior in true designer style with the Eichholtz Bulgari Table Lamp Small.

Created by Danish homeware icons, Eichholtz, this luxury addition is perfect for adding a touch of glamour to your interior space.

A distinctive bedside table lamp or luxurious accent for your living area, it features a beautifully hand sculpted glass column base.

The glass cocoons around a the visible stainless steel lamp fitting to give the lamp a touch of contemporary appeal.

Great for vibrant and neutral toned interiors alike, its crisp white drum lampshade completes the look in style – making this a lasting style statement which is sure to always be in vogue.

Accent with decorative items and furnishings from the opulent Eichholtz collection to create synergy and elevate your interior into the style stakes.

Please note due to the artisan production and materials used, each item is distinctively unique and variations are to be expected and celebrated as no two lamps are exactly alike.
