Description

Laser cut metal Ampersand wall art. Add dimension to your home and office interior with the OH Ampersand Wall Art. Available in a choice of colours, this lovely collection is laser cut from metal to achieve a crisp and contemporary edge. Lovely on the wall, or placed on your bookshelf or desk, there is a colour which will work well with any colour palette in your space. Place in the study or combine multiple ampersands around your interior space to create cohesion in your office design scheme.
