

Flos Skygarden Matt Gold

Matt gold finished Flos suspension diffused lighting luminaire.

FL3430

Colour : Gold

Material : Glass, Plaster, Stainless steel

Description

Matt gold finished Flos suspension diffused lighting luminaire.

Add a touch of award-winning style with Flos Skygarden Matt Gold, Previous winner of the Elle Decoration International Design Awards (EDIDA), this glossy gold finished pendant has a curved external body with a smooth and contemporary finish.

A lovely contrast to the chic contouring of the outer lampshade, the inner shade features an antique inspired floral relief plaster, making this striking addition really stand out from the crowd.

Available in a choice of finishes, each is perfectly placed alone or mixed and matched together to create a decadent interior installation – lovely in open-plan kitchens or making an impact in your entrance hallway.

From Flos and designed by Marcel Wanders – co-founder of Dutch design house, Moooi – Skygarden is a timeless designer lighting solution for the heart of your interior scheme.
