### Description

Geometric wool rug collection in a choice of pastel colours. Embrace on-trend pastels with the Plantation Rug Company Maisey. Created by luxury hand-woven rug artisans, this collection is made from 100% wool and features a geometric design which is inspired by traditional Greek key rugs. Based in the UK, Plantation have been creating luxury rugs from the finest materials since the 1930s. Available in a choice of colours, Plantation rugs are celebrated worldwide for their vibrant tones and curious rug piles. Produced using the finest natural materials and created to withstand wear and tear this decadent designer addition is guaranteed to stand the test of time as it elevates your space in style.
