Description

Spruce potting table with zinc lid and 3 drawers.
Extend your interior style into your utility room and beyond with the Large Chunky Potting Table.
Designed by luxury homeware icons, Garden Trading, this sustainable addition is crafted from sustainable and responsibly sourced untreated spruce with a clever hardwearing zinc worktop.
A perfect companion for the green-fingered gardener, it provides ample storage over three drawers for seeds, storage pots and gardening tools and a versatile shelving unit for muddy wellington boots and watering cans.
Extremely hardwearing, its durability combines with its graceful presence and natural appearance which is charmingly individual every time due to the natural materials and characteristics of spruce.
