Description

Brass antique compass in French finished box.
Chart your expeditions in style with the Authentic Models Lifeboat Compass.
Steeped in history, this charming interior accessory is inspired by the endeavours of maritime history, evoking a feeling of the past. Representing four centuries of nautical inspiration, it is sculpted from brass and set in a charming French antique finished box. The design is complete with a Latin motif 'per mare per terram', and English translation, 'by sea, by land'.
Combine with accenting additions from the Authentic Models collection and steer the helm of your interior into the style stakes.
Please note: Artisan crafted with meticulous care by skilled craftsmen, each item is unique and slight variations in appearance are to be expected and celebrated as no two items are exactly alike.
