Description

Honey maple and walnut antique side table.
Steeped in history, the Authentic Models War Chest will give your interior a nostalgic edge.
Sculpted from contrasting honey and maple wood with elegant brass detailing, this antique inspired chest, provides inner storage across two drawers, complete with a crossed-leg stand to form a charming side table.
The light wooden drawers contrast wonderfully with the dark maple table top as brass detailing completes the look perfectly.
Originally used on campaign travels, the War Chest was used to safely conceal strategy documents and valuable possessions.
Combine with accenting additions from the Authentic Model collection to elevate your campaign-inspired interior in true designer style.
Artisan crafted with meticulous care by skilled craftsmen, each item is unique and slight variations in appearance are to be expected and celebrated as no two items are exactly alike.
