Description

Adaptable mahogany butler's tray table.

Serve your guests in style with the Authentic Models British Butler Table. Luxuriously hand sculpted from warm mahogany wood, this distinctive furniture piece is a fine addition for your next cocktail party.

In the upright position, it is an antique-inspired crossed-leg tray table, with folding legs and an elegant French finished lacquer.

Exuding the luxury of the first class lounge of a 1930s cruise liner, the table can then also be used as a side table as each side of the table is hinged to fold down flat, creating an oval shaped table top.

A beloved vintage serving table, it is complete with a charming nautical star motif, perfect for serving and enjoying decadent culinary delights and cocktails at your next dinner party.

Artisan crafted with meticulous care by skilled craftsmen, each item is unique and slight variations in appearance are to be expected and celebrated as no two items are exactly alike.
