Description

Lead crystal and brass 5 bulb chandelier.

Designed by Lee Broom the Crystal Bulb Chandelier is a majestic and sensual light piece.

Inspired by the delicate craftsmanship of crystal cutting, the chandelier features 5 pendant bulbs.

Each bulb tapers from individual brushed brass pendants with gold fabric cable; hand cut with a classic crystal decanter pattern and Lee Broom's etched motif.

A decadent delight for classic and contemporary spaces, the design is complete with a commanding white satin finish metal ceiling plate.

Made in partnership with Cumbria Crystal, it embraces Broom's philosophy of enlisting the expertise of talented, traditional British craftsmen.

A timeless icon, its graceful beauty and enduring charm is guaranteed to stand the test of time, remaining sensationally stylish for generations to come.

Features:

- Light source: 5 x E27 LED fitting (CBLED02) 2w/long life/90 lm/2700 k/warm white (included)
- Easy to replace: Each Crystal Bulb shell is detachable from its filament to allow replacement
- Weight: 5kg Approx
- Crystal Bulb is not to be used with halogens

Installation:

- Adjustable length pendant cables and ceiling kit included - professional installation recommended.
- An unassembled version with 2m cables for high ceilings is available on request - please contact customer services for further details and pricing.
