Description

Decorative metal chain chandelier with gold finish. Ascend your interior into the style stakes with the Eichholtz Martinez Chandelier. Created by luxury homeware icons, Eichholtz, Martinez is a captivating focal point for both classic and contemporary interior spaces. Designed to endure, it is meticulously handcrafted with a strong frame which houses an elegant array of sumptuous chains in a free-flowing gold toned finish. Gathered and tapered to form a tassel at the base, Martinez will direct ambient lighting into your interior scheme as it creates a mesmerising dimension and texture from above. Please note: Due to the artisan production process used for Eichholtz products, no two items are exactly alike and variations are to be joyfully celebrated as this is a truly unique addition for your style-conscious interior. Light source: 6x E14 60W Max light bulbs (not included) Suspension: 1m chain.
