Description

Reclaimed oak coffee table with zinc frame.

Uplift your living room interior with the rustic charm of Eichholtz Ch#226;teaudun Coffee Table.

Inspired by the rustic charm of French countryside interiors, this beautiful addition is sculpted from reclaimed oak to provide a durable, rich-grained finish.

A natural beauty for classic and contemporary interior spaces, the design is complete with a commanding zinc framed base, providing a striking industrial contrast.

Combine with accenting additions from the Houseology homeware collection for a layered fusion of rustic-meets-modern style.
