Description

From the Zoffany Collection.

Metallic glass table lamp with satin shade.

The shape of the Colmea lamp is achieved by blowing glass in a turned mould, and finishing with a rich metal glaze application.

The clean silver tone, surface texture and metallic quality give this design a luxurious and glamorous finish.

Individually crafted, each table lamp is unique and will vary providing a unique and timeless product.

This lamp has been created by Heathfield & Co to complement Zoffany's own exquisite range of luxury wall coverings, fabrics, furnishings and accessories.

Please contact customer services if you require further information on the Zoffany collection.
