### Description

Table lamp with ornate base from Eichholtz.

Illuminate the beauty of your interior space with the Eichholtz Perignon Table Lamp.

Created by designer homeware experts, Eichholtz, this lovely lamp collection is a classic addition which will radiate ambient light in the heart of your interior space.

Inspired by the rustic appeal of antique French lighting, it is available in an array of aged antique finishes and is characterised by its ornately decorated footed base.

A white pillar is reminiscent of vintage candle-lit lamps, which leads up to a crisp lamp shade, completing the design perfectly.

Lovely in the lounge or placed at either side of your console table in the entrance hallway, it forms part of a distinctive collection which will warm your interior in true designer style.

Made by Eichholtz it is artisan crafted with meticulous care by skilled craftsmen.

Each piece is unique and slight variations in appearance are to be expected and celebrated as no two items are exactly alike.
