Description

100% cotton pile indigo blue cushion with psychedelic damask design. Look through the kaleidoscope with the Timorous Beasties Marble Damask Cushion. Predominately indigo blue in colour, this inviting cushion features a psychedelic interpretation of a traditional damask wallpaper with a contemporary twist. Accented by mysterious tones of saffron, gold, teal and purple, it is woven from sumptuously soft 100% cotton pile and will inject vivacious personality on your armchair or sofa. Combine other captivating additions from the Houseology Timorous Beasties collection for a layered fusion of unique designer style.
