Description

Classic regal conversation sofa chair with ecru velvet fabric and piano black frame. Inspire conversation in the heart of your entertaining space with the Eichholtz Gaby Sofa. Drawing inspiration from antique French furniture, this sumptuous sofa exudes discerning regal appeal. With a curving S-shaped frame, the design allows two people to sit in opposite directions, positioned in the perfect arrangement for a good old chinwag! Stud and scroll detailing are accented by classic button backed buttons as an ecru velvet upholstery and castor black legs complete the look in style. Continue your antique inspired aesthetic with accenting furniture from the Eichholtz collection and designer lighting from Houseology to complete your space in style. Please note: Due to the artisan production process and materials used, no two items are exactly alike, making this a unique addition for your style-conscious space.
