Description

Iconic hummingbirds wallpaper from Cole & Son.
Adorn your interior space with the Cole & Son Anthology Hummingbirds Wallpaper.

Rendered with two variations of fluttering hummingbirds on blooming floral branches, it is available in a choice of gentle colourways to add a touch of delicacy to your interior scheme.

Beautiful in your classic living room interior or creating a feature wall backdrop in your contemporary bedroom interior space, it will accent wonderfully with accenting soft furnishings, including cushions & throws from the Houseology collection to create a romantic style fusion in the heart of your interior scheme.

Printed on non-woven base paper.

Recommended adhesive: Cole & Son Tub Paste

Hanging method: Paste the wall

Match: Half drop

Pattern Repeat: 54cm
