### Description

Mouth-blown clear glass jug with copper detailing.  
Serve your guests in ultimate style with the Tank Jug from Tom Dixon. Expertly crafted from mouth-blown glass, the hand painted copper detailing around the neck and base add a subtle touch of glamour that transforms this jug into the ultimate statement piece.  
With a narrow neck, and rounded body, it has a stylish wide angled spout for effortless pouring.  
Presented in beautiful turquoise gift-packaging, this would make the perfect gift.  
Combine with other elements from the Tom Dixon Tank collection to add some copper glamour to your serveware this season.
