Description

Cantilever dining chair with white leather upholstery and matt chrome steel frame.

Celebrate the contemporary expression of the Tonon Swing Chair - Matt Chrome - White Leather.

An embodiment of 'Made In Italy' design, this chic designer dining chair is the perfect complement for your entertaining space.

Sculpted from a solid steel frame in a matt chrome finish, this cantilever dining chair is characterised by its luxurious white premium leather upholstered back rest and seat pad.

Comfortable and effortlessly stylish, each chair is designed by Lepper Schmidt Sommerlade to offer unrivalled comfort every time and is available in a dining and armchair configuration.

Complete your aesthetic with luxury serveware and a designer dining table from the Houseology designer furniture collection and elevate your space in style.

Please note: This chair is pictured with a flat solid matt chrome frame with grade 9 white leather upholstery and offered in a dining chair and dining armchair configuration. It is also available in a choice of other upholstered and leather colourways. Please contact our customer service team for further information.
