Description

Graffiti style patterned wallpaper with Timorous Beasties Napoleon bee motif.

Create a fascinating feature wall with the Timorous Beasties Bloody Empire Wallpaper.

Inspired by Timorous Beasties' iconic Napoleon Bee textile and wall covering collection, this striking wallpaper exudes graphic appeal, with a juxtaposed decoration of traditional damask and ink blot graffiti drips of ink.

The gentle damask achieves a kaleidoscopic dimension paired with vivid bumble bee motifs which offer a gentle contrast in comparison to the characteristic Bloody Empire red splatter ink effect.

Combine with Timorous Beasties designer cushions to create synergy in your design scheme and complete your interior space in style.

Style: Straight over 170 GSM non-woven wallpaper

Pattern Repeat: 150 cm

Roll length: 10 metres (52 cm wide)
