### Description

Woodland wildlife wallpaper with textured background.  
Make an eclectic style statement with the Timorous Beasties Indie Wood Wallpaper collection.  
Celebrating the beauty of nature, this charismatic wallpaper features an inspiring decoration of illustrated flower and fauna including chirping chaffinches, mischievous magpies, curious squirrels and fluttering butterflies.  
Behind the parallel patterned branches, each roll includes a faint textured background, available in a choice of colourways.  
Create a playful feature wall or adorn your room on each wall for maximum impact.  
Please note: The Indie Wood Wallpaper design features a very faint approximately 13.2 cm repeat background texture however the design changes throughout the 10 metre roll. It can be hung wherever the 13.2 cm repeat matches.  
Material: 170 GSM non-woven wallpaper  
Pattern repeat: 13.2 cm  
Roll length: 10 metres (52 cm)
