Description

Riveted metal sheet effect wallpaper in a choice of patinated and metallic colourways. Blur the boundaries between contemporary modernism and artisanal style with the Elitis Samarcande Khan Wallpaper collection.

Inspired by the production techniques of skilled glass and metal artisans, this captivating wallpaper is the perfect interior antidote to create a dynamic dimension in your interior space.

Available in a choice of patinated and metallic colourways, this three-dimensional effect wallpaper is made from foil and embossed vinyl to create a shimmering tiled effect.

Glimmering like glass yet oxidised like industrial steel, Samarcande is a celebration of the reflections of metal and glass.

Create a feature wall in your interior space or adorn each wall for ultimate visual impact.
