Description

Super wide XXL wallpaper with giant laser cut flower pattern in stripe formation.

Create a dynamic focal point in your interior space with the Elitis XXL Ombres Wallpaper.

Featuring a large scale botany inspired design, this super wide XXL wallcovering is characterised by a giant laser cut flower projection.

Achieving a spray paint effect in a singular stripe formation, the laser cut graphic brings a dynamic dimension to interior spaces and will create a fine focal point in your chosen interior.

Available in a choice of bold colourways, the design is perfect for both classic and contemporary interior spaces and will make a wonderful feature wall in your chosen space.
