Description

Medium sized bubble-shaped transparent LED pendant lamp. Heighten the style tempo in your interior space with the Kartell Medium FL/Y Transparent Pendant Light. Sculpted from a batch-dyed methacrylate PMMA - a transparent acrylic finish - it features a bubble-like contemporary lampshade and adjustable cable cord. Created for Kartell by celebrated architectural designer, Ferruccio Laviani, FL/Y will create a striking style statement and gentle ambience in harmony, suited to both classic and modern interior spaces. Complete in choice of vivacious colourways, the pendant will look wonderfully hung alone or grouped together in a multiple installation and celebrate your own unique colour story in the heart of your interior space. Please note: Requires 1 x 15 W E27 LED globe bulb (included) Adjustable cord length: Minimum 40 cm Maximum 232 cm Weight: 1.58 kg (approximately)
