Description

Black and grey hand embroidered cushion.

Make a monochrome style statement with the Eichholtz Pillow Bliss.

Exuding restrained opulence, this stunning geometric cushion is ideal for creating a dynamic dimension in your interior scheme.

Featuring a bold grey and black decoration inspired by traditional Greek key, the cushion reverses to a neutral charcoal black reverse for an alternative look.

Combine with accenting Eichholtz designer furniture and designer lighting from the Houseology collection to make your interior space really stand out from the style crowd.
