### Description

Cast brass Pieter Adam wall light with 3 drum lamp shades. Taking inspiration from the copper tinted chandeliers of Amsterdam's Golden Age, the Pieter Adam Melting Amsterdam Wall Lamp is the perfect welcome for your entrance hallway interior. A unique line of lighting creations from Pieter Adam, this artistic chandelier is a celebration of old and new, available in a choice of finishes with accenting velvet or satin drum lamp shades. Pair at either side of your hallway console table and combine with a mirror from the Houseology collection to complete your aesthetic in style. Please note: This wall lamp is artisan crafted by hand therefore each wall lamp is distinctively unique every time. Requires: 3x G4 12V 10W Max halogen light bulbs (not included)
