

## Pieter Adam Organic Atomic Hanging Lamp 70cm - Oxid Green

Atomic starburst sculptural casted brass and Murano glass pendant lamp.  
PY0092

Colour : Silver  
Material : Cast Brass<br>Murano Glass

### Description

Atomic starburst sculptural cast brass and Murano glass pendant lamp. - Create a dynamic dimension in your interior space with the Pieter Adam Organic Atomic LED Hanging Lamp. Taking its form from the smallest particle that an element can be reduced to, this atomic pendant lamp is luxuriously sculpted from Cast Brass and Murano glass. An original art piece, the network of handcrafted brass rods feature a unique configuration every time. Adorned in a Oxid Green finish the design is completed with Murano glass and silver leaf spheres which achieve a multi-directional illumination. Please note: If you would like to create your own bespoke architectural atom configuration, please contact our customer service team for pricing and production details. Each item is unique meaning no two lights are exactly alike.  
Requires: 25x G4 LED light bulbs (not included)
