Promote serenity and timeless style in the heart of your design scheme with the Nourison Twilight Rug Ivory.

Sumptuously woven from a wool and Luxcelle blend, this ivory designer rug features a shimmering patina-effect decoration.

Combining the very best of traditional and innovate modern production and dye techniques, the ivory tones are hand washed, loom woven and hand finished to create a patina-effect in tones of warm ivory, olive and dove grey.

Gaze deeper into the patina finish and a stunning damask floral decoration ascends to the fore, creating a decadent dimension in your chosen interior space.

Accent with designer furniture and statement metallic lighting from the Houseology designer homeware collection to complete your interior space in style.

Please note: Due to the artisan production techniques and materials used, no two rugs are exactly alike, making this a unique addition for your interior design scheme.
