### Description

Geometric ivory and grey damask patterned loom woven rug. Inject the decadent delicacy of the Nourison Twilight Rug Ivory/Grey into your interior space.

Awash in inviting faded ivory and grey tones, this elegant designer loom woven rug is a radiant addition for your style-conscious scheme. Shimmering in the light, the wool and Luxelle loom woven rug is a celebration of traditional Persian rugs and modern production and dye techniques.

Promoting a gentle dimension, the geometric repeating pattern is reminiscent of looking through a kaleidoscope.

Featuring tones of dove and steel grey with tones of silver and muted ivory, it will complement both classic and contemporary spaces with its modern-take on damask-like decoration.

Combine with designer lighting and homewares from the Houseology designer furniture collection to complete your aesthetic in style.

Please note: Due to the natural production process and materials used, no two items are exactly alike, making this a unique statement for your chosen design scheme.
