### Description

Classic grey steel 2 seater outdoor sofa with showerproof cushion pads. - Inject classic style into the heart of your outdoor space with the Ethimo Elisir 2 Seater Sofa.

This inviting outdoor sofa is constructed from rust-resistant steel with an elegant slatted back rest and beautiful curving arms and chair legs.

Coated in a solvent-free grey powder coated finish, the sofa is made to last and is dependably UV and weather resistant.

Sumptuous showerproof seat pads - available in a choice of colourways - complete the aesthetic in style.

Seat pads are weather resistant, made from a showerproof synthetic material mixture of breathable plastic fibres.

We recommend sheltering cushion pads indoors when not in use.

When not in use, prolong the life of your sofa by covering with an Ethimo rain cover (not included) and store your luxury garden furniture indoors entirely during extreme adverse weather conditions and hard winters.

Contact our customer service team if you would like to purchase an Ethimo rain cover (sold separately)

Approximate net product weight: 25kg
