Description

Outdoor lounge chair with aluminium and Lightwick rattan frame. Celebrate the cool contemporaneity of the Ethimo Infinity Lounge Armchair in the heart of your outdoor space.

Rectangular shaped, this inviting armchair is specifically adapted for outdoor use, made with a rust-resistant aluminium frame and a strong, yet lightweight, synthetic Lightwick rattan finish.

Hand crafted, the exterior and arms features a distinctively unique weaved appearance every time - available in a choice of Ethimo colourways.

Comfortable showerproof upholstered seat pads complete the look in an inviting choice of neutral finishes.

For the ultimate in outdoor style, combine with accenting elements from the Ethimo Infinity outdoor furniture collection to complete your aesthetic in style.

Please note:

This furniture piece is weather-resistant and should be sheltered indoors during extreme adverse weather conditions and hard winters.

The aluminium frame is 99% recyclable and is completely solvent-free.

To prolong the chic aesthetic of your luxury garden furniture, this product can be combined with a waterproof PVC rain cover (sold separately via our customer service team.)

Approximate net product weight: 11kg
